

Mentis Newsletter

February 1st, 2016

Greetings!

These past three and a half months as **Mentis** have been fantastic! We are elated and so grateful for the support our staff, our board members, our partners, and all of our donors give in order to continue to offer accessible and affordable mental health services in Napa County.

As we continue adjusting to our name change from Family Service of Napa Valley, our next big project is to prepare for our annual fundraiser. This year's 5th annual *World of Wine 2016* is particularly special because it's our first year as **Mentis**.

For the next six weeks the Event Committee will continue to work hard in order to bring you an extraordinary evening at *Opus One Winery* on Saturday March 12th.

It will be an evening devoted to tasting fine wines from the most famous regions of the world, paired with delicious small bites from top local chefs. A night which will also include a silent auction with prizes ranging from vacation trips, fine wines, and unique experiences, as well as a wine pull raffle and an exclusive (limited 50 guests) patron dinner to end the night.

This event would not be possible without are extremely generous **Sponsors!**

Sponsor Kickoff Reception 2016

The Kickoff Reception for our World of Wine 2016 sponsors was held Thursday January 28th. This event took place at Robert Mondavi Winery, in which our board members and staff had the opportunity to meet, converse and personally thank each and every one of our sponsors for their support to **Mentis**.

All in all, it was an extraordinary evening filled with so much gratitude from our **Mentis** board members and staff towards our sponsors, local government officials and community supporters who were able to make the event. Thank You!
