LCSW - Health Therapist

LCSW - Mental Health Therapist: Mentis, a private non-profit agency, is looking to hire a mental health therapist. This position involves providing Mental Health treatment services at our office as well as in the community to teens and adults who are primarily low-income (insured as well as uninsured) and coping with multiple and complex psychosocial stressors.

The successful candidate must be a Licensed Clinical Social Worker in good standing with the state of California. The position is 32-40 hours per week with a competitive salary and excellent benefits (sick, vacation, dental, medical and retirement).

This is a great opportunity to be part of a strong clinical team in a supportive environment.

Please e-mail resumes to Marti Palmer, MFT, Clinical Director at mpalmer@mentisnapa.org.
