

Job Announcement Mental Health Therapist

Mentis, a private non-profit agency, is looking to hire a mental health therapist. This position involves providing Mental Health treatment services at our office as well as in the community to teens and adults who are primarily low-income (insured as well as uninsured) and coping with multiple and complex psychosocial stressors.

The position requires a master's degree or clinical license in Social Work, Counseling, or Psychology. The agency offers supervision for interns that are seeking clinical hours toward licensure. The position is 32-40 hours per week with a competitive salary and excellent benefits (sick, vacation, dental, medical and retirement). This job is a good opportunity for clinical growth in a supportive environment with a great team.

Please e-mail resumes to Marti Palmer, MFT, Clinical Director at mpalmer@mentisnapa.org.
