### **We've Moved!**

While we'll miss our Franklin Street building and clinical offices downtown, we're excited for this new chapter. From now on, please use **1272 Hayes Street, Napa, CA 94559** as Mentis' mailing address. The new Mentis Wellness Campus is centrally located, within walking distance of two public high schools, and accessible by public transportation. This location reflects our vision for a new model of mental health, one rooted in access, community, and comprehensive care. **Thank you for sharing this vision with us!**
